- 5) With Under Seat Storage Box in place, feed the loose end of the safety straps through the rear seat brackets as shown above and then into the strap lock, pulling the strap tight. Finally, fasten lock and pull firmly on the strap to make sure the strap and the strap lock have been properly fastened (Figures 3).
- 6) Install the divider and you are ready to organize (see Figure 4 & 5).

If you are storing long items it may be necessary to remove the divider. Also, small loose items can potentially roll around and become annoying. Simply place these items in a rag, towel, etc... roll them up and place them in your new Rough Country Under Seat Storage Box.
